

The Marine Aviation Officers' Spouses' Club is celebrating its 63rd year as a social club providing the opportunity for Marine Corps Aviation Spouses, both active duty and retired, within the Washington DC and Quantico area to experience the friendship and camaraderie of other aviation spouses. We are looking forward to another great year of socializing, great food, and the opportunity to treasure old friendships and forge new ones.

We would like to extend a warm MAOSC welcome to you and look forward to making your acquaintance in person.
